About the College:

Ours is a multi-faculty Co-educational undergraduate College, affiliated to Kurukshetra University, Kurukshetra. Nestled in the lush green idyllic, bucolic milieu it came into existence on Jan 24, 1974 with the tireless and ceaseless efforts made by its founder President Late Sh. Om ParkashGarg, a man with farsighted vision and animated social consciousness. Since its inception, it has made rapid strides in various branches of knowledge, sports, cultural activities and ranks among the best rural colleges of Haryana. It can legitimately boast of being equipped with all the relevant streams of knowledge – science (both Non-medical & Medical sides), Commerce, Humanities. Highly qualified, motivated and dedicated members of the staff and principal under the benign and inspiring tutelage and aegis of its dynamic governing body, the college is blazing the path of knowledge and reaching new academic horizons, catering to the needs of its rural and semi-rural catchment area.

Objectives of the Webinar:

The objective of the webinar is to understand the significance of the components of the IPR and using it effectively as a main component of Science, Innovation and Creativity. It is essential for the budding generation to understand the concept of IPR at this stage. The knowledge of Intellectual Property Rights will introduce the students and teachers to the expanding world of knowledge, creativity & innovation. The faculty and the students must know about the IPR assets in order to maximum utilization of their potential.

Theme of the Webinar:

- Procedure to fill the IPRs
- Literature search Issues on Intellectual Property rights in Research and Creative Works
- Patent Laws: How to apply, Challenges and their solutions
- Role of Internet in Intellectual Property rights
- Copyright and Trade Mark
- Any other topic related to the Webinar
