About the University (BAOU)

A seed of vision planted by Government of Gujarat in 1994 has grown into a lush green 'tree of knowledge' in its fruitful journey of 26 years and counting. The University impacts the lives of citizens of Gujarat with easy access to higher education without any barriers of age, time, and space. It offers more than 70 programmes through open and distance mode. It has 6 Regional Centres and more than 250 Study Centres in a number of districts across Gujarat encompassing urban and rural areas. In the leadership of Hon'ble Vice Chancellor, Prof. Ami Upadhyay, the university has achieved newer milestones in academic, administrative and societal fields:

- Gargi Centre for the Holistic Development of Women
- Atri Special Learner Support Centre
- Dronacharya Centre of Innovation, Startup and Entrepreneurship
- Eklavya Student Support Portal
- Gurukul Model Learner Support Centre
- Hosting 95th National Vice-Chancellors Meet inaugurated by Hon'ble PM Shri Narendra Modiji
- Free-of-Cost Education to war-widows and Covid-orphaned
- Noteworthy implementation of National Education Policy 2020
- Pioneer in introducing *Tej-Trusha* Talent Hunt in Open University system

About Seminar

A significant shift is marked in the field of Library and Information Science for past couple of decades.

The amalgamation of technology and higher education has driven the library services to be repurposed and revitalised, in order to face the challenges posed by the changing nature of the information environment. Keeping in mind the challenges of the contemporary informative world, present seminar provides an opportunity to the research scholars and experts of the field to expand their horizons and extend professional expertise.

The purpose of this seminar is to create awareness about the changing role of libraries in this and enhance the library service in such a way that it can cater to the needs of knowledge seekers and scholars of this digitized era.

Research Papers are invited on Following Sub themes

1. Transforming Libraries into Digital Library
2. Role of Library in National Buildings
3. Role of Libraries on Open Education
4. Role of Libraries in Covid-19
5. Library as a catalyst of Social Change
6. Information Literacy and Digital Literacy for sustainable Development Goal
7. Library as a tool for society change
8. Role of Librarian as Open Content Developer and Provider
9. Innovation in LIS services
10. Research Trends in LIS
11. Library security tools, Techniques and methodology
12. Social Media and Library services
13. IPR in Digital Age
14. Digital Rights management
15. Big data Opportunities for Library profession
16. Digital Libraries : Access, Preservation, Policies Implementations
17. Bibliometrics, Webometrics, Scientometrics analysis
18. Policy in Capacity building
19. Emerging and Innovative Technology Application in Libraries.
