For more details to visit: www.rguhs.ac.in

RAICHUR

The District of Raichur has a rich heritage from the days of the Mauryan King Ashoka. Has temples forts and battle fields bear testimonies, located on the banks of river Tungabhadra, 50km from Raichur district of Karnataka; it was a part of the princely State of Hyderabad became constituent district of the Mysore state(1st November 1956). **For more details please visit:www.raichur.nic.in**

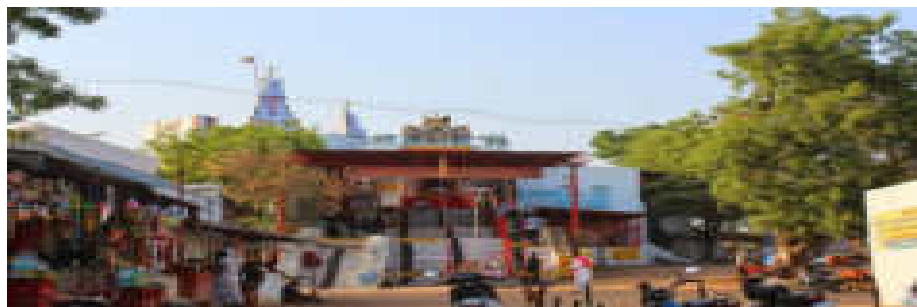

Places to Visit :

Sri Dattatreya Temple Kurvapura

Kurvapur is a pilgrimage to Lord Dattatreya. It is located on the banks of River Krishna, 25 km from Raichur district of Karnataka. It is an island surrounded by the sacred waters of the Krishna River. The first incarnation of Lord Dattatreya in Kaliyuga was Sri Sripada Srivallabha. This place is Sri Sripada Srivalabha's workplace and Taphoobhoomi.

Kurvapur is a kind of place to experience. Known as the 'Karma-Bhoomi' of Sri Sripada Srivallabha Swamy, the 1st incarnation of Sri Gurudev Datta, this place is situated on the river Krishna. This place is on the island and you can find limited resources on this island. To reach the island you need to take a putty or circular share boat which takes about 10-20 minutes to cross the river.

Panchamukhi Ganadhal:

Located at a distance of 40km from Raichur, the surrounding taluk of Raichur district is visited by people of all taluk and other states. Railway travel is favorable from all districts and states and tourists who come to see Darshan of Sri Raghavendra Swami every Thursday will not come back to visit this place. A short distance away from the Mantralaya is the Panchamukhi Ganadhal, where there is an ancient temple of Sri Anjaneya Swamy.

Kalluru Sri Mahalaxmi Devi Temple:

Situated at a distance of about 20 km from Raichur, tourists come from other states of Maharashtra and Gujarat to seek Sri Dakshina Mahalakshmi Darshan. There are many ancient temples in the village of Kallur.

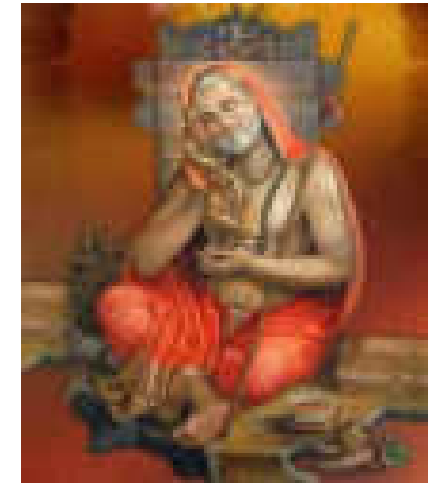

KPTCL : For over four decades, the Karnataka Power Corporation has been a prime mover and catalyst behind key power sector reforms in the state – measures that have spiralled steady growth witnessed in both industrial and economic areas. Right from the year of inception, in 1970, KPCL set its sights on “growth from within” meeting growing industry needs and reaching out to touch the lives of the common person, in many ways.

SRS MATHA :

It is located on the banks of River Tungabhadra, 50 km from Raichur district of Karnataka. Sri Raghavendra Swamy Mutt belongs to the lineage (parampara) of

Hamsa naamaka Paramaatma, It is in Sri Raghavendra Swamy Mutt, that the Vighraha of Sri MulaRama, originally worshipped by Sri Chaturmukha Brahma, the Vighraha of Sri Digvijaya Rama, originally worshipped by Sri Madhvacharya, the Vighraha of Sri JayaRama, originally worshipped by Sri Jayatirtha, are being worshipped with devotion and gaiety, by the various Pontiffs, of this Parampara. We pray Sri Raghavendra Tirtha, known as Kaliyuga Kamadhenu and Kaliyuga Kalpataru, to bestow His Grace on all His Devotees, for the fulfilment of their wishes and thereby for serving the cause of Human Happiness and Spiritual Realisation.

Sri Sugureshwara Temple:

Devasugur Sri Sugureshwara Temple (Lord Veerabhadra) at the bank of river Krishna, about 18km from Raichur.

Hatti Goldmines:

Hatti Gold mine is 80 km west of the district headquarters Raichur and 20 km from the taluk center Lingasugur. According to historians, the gold was exported from the Indus Valley

KARNATAKA HEALTH SCIENCES LIBRARY ASSOCIATION:

Karnataka Medical Library Association (KMLA) was established in the year 1999. During 2011, it was renamed as KHSLA for the inclusion of all health science institutions affiliated to Rajiv Gandhi University of Health Sciences (RGUHS), Karnataka, Bangalore and other Deemed Universities in Karnataka. KHSLA has successfully conducted (13) Annual conferences in various cities of Karnataka. The Association is actively involved in imparting training for health science librarians and users to keep them abreast of the modern knowledge and Information Technology in the field of Health Science Libraries.

HEALTH LIBRARY ASSOCIATION OF INDIA :

Health Library Association of India (HLAI), a registered organization under Society Act, building an inclusive approach in networking of health science library professionals in updating knowledge on par with the latest development in the form of training, conference and seminars.

HLAI has organized 7 conferences / seminars on its popular series KRM (Knowledge Resource Management) and other related issues like copyright, Patents, EBM, Digital resources management, Information literacy program, Big Data and Tools and technologies in health science libraries etc. Many joint sessions with users and publishers were conducted with health science professionals, as part of the conference/ seminars and training. HLAI urges all the professional to become a life member and participate actively in all the professional activity.

RIMS, CENTRAL LIBRARY AND INFORMATION CENTER:

Library has been integral part in the development of Raichur Institute Medical Sciences (RIMS) since 2006. Total area of the library: 1600 Sqmtrs. Caters to the information needs of the institute's faculty, students, staff and researchers. It houses around 11487 books covering all disciplines of health science. The collection in the library comprises printed documents such as books, journal back volumes. The non-book collections include materials like audio/video cassettes, and CDROM discs. Under the web HELINET consortium, the library provides on-line access to a large number of full-text journals, books-161, Magazines-174, Reports-56, Scholarly Journals-8146, Trade Journals-703 & Other Sources-342. The library is blended and automated in nature housed in spacious building.
