THE THEME

The contemporary Indian society is being transformed into a digitally empowered society and knowledge economy with a great pace. The process of digitization involves transforming India into a knowledge hub where every household is digitally literate. This knowledge based society improves human condition and bring a radical change in societal progress. It promotes human rights and offers equal, inclusive, and universal access to all knowledge creation. In the same context libraries see their role as enablers of the knowledge society by providing information, e-resources, needed services and support in building a remarkable new civilization. As libraries are pillars of education it is obvious to expect that digital libraries will provide new opportunities for innovative educational practices. It is mandatory for today's libraries to facilitate the open distribution of knowledge. Librarians strive to enable the free flow of information. It is therefore necessary to work towards connecting the forms of knowledge that society already possess and the new forms of development, acquisition and spread of knowledge.

As the library professionals we have to ensure that the digitization of libraries leads to transformation and empowerment and finally to positive, sustained development outcomes. In the same concern this seminar is a major forum focusing on digital technologies and associated issues. This major theme is further divided into sub-themes as detailed below:

- Digital Technologies/Digital projects and digitization process
- Open Access Movement and Semantic web technologies
- E-Learning and Knowledge portals
- Open Source Software and e-resources
- IR and Digital Rights Management
- Re-engineering libraries services and resources
- Open educational resources

In addition to the above contents, there will be technical sessions and panel discussion sessions with participants and subject experts.

HOW TO SUBMIT PAPER

Original papers on the above sub-themes or related themes are invited from students, researchers, academicians, LIS professional, managers and interested IT professionals. You are requested to submit an electronic copy of the full length paper in English on seminardlismisu@gmail.com on or before July 20, 2022.

GUIDELINES FOR MANUSCRIPT PREPARATION

The papers should be based on research surveys, case studies or action plans between 2000-3500 words in length including tables, diagrams, etc. Text should be printed in Times New Roman with font size 12, typed in 1.5 spaces. Text should be typed in A4 paper with standard margins (2.54 cm in all four sides). Also, each paper should contain an abstract, up to ten keywords, body of the paper, conclusion and references. The paper should also contain the author(s) name, title, organization, address, telephone, and E-mail address. All references should be presented according to the APA Style only.

All papers submitted shall be subjected to blind review by a technical committee. Based on paper evaluation report, paper shall be accepted for publication/presentation and Best written and Best presented Paper Award respectively in below categories each. All the accepted papers will published in Seminar Proceeding with ISBN.

BEST PAPER AWARD

- (A) For academician, professionals
- (B) For Student/Research scholars
- (C) For Private College professionals

ABOUT MLSU

Mohanlal Sukhadia University at Udaipur, Rajasthan (India) is A grade UGC recognized multi-faculty affiliating state university established by an Act in the year 1962 to cater the needs of higher education in Southern Rajasthan. The University has 36 departments under four constituent colleges. The university has more than 193 affiliated colleges with an enrollment of about 2.25 lakh students. As a mark of respect in the memory of late Sri Mohanlal Sukhadia the architect of modern Rajasthan, the university was renamed as Mohanlal Sukhadia University in 1984.

The Department of Library and Information Science was started in the year 1975 as a separate department in the University College of Social Science & Humanities. In the year 1994 the department was upgraded to a PG department as Master in LIS course was started as a regular one year programme. Subsequently in the session 1999, the facilities of Ph.D programme were initiated and considered as second full-fledged department having facility of UG, PG & Ph.D in the Rajasthan State. This department is first in the whole state of Rajasthan by which all the courses of LIS from Certificate to Ph.D are being run.

UDAIPUR

The city of lakes, Udaipur is a beautiful city situated in the lap of Aravalli Range of Rajasthan, India. Udaipur is regarded as one of the most romantic cities of the world and subsequently, also known as the "Venice of East". Udaipur has been capital of Mewar of centuries. It is the land of lake side scenic sights, hilltop fortresses, and luxuriant gardens with fountains. The surrounding Udaipur has many attractions such as world famous Jaisamand lake (50K.M.), Kumbhalgarh Fort (85K.M.), Ranakpur Jain Temple (90K.M.), Nathdwara (48K.M.), Chittorgarh (105K.M.). The climate of Udaipur is very pleasant in the month of July. The temperature varies between "25-30 Degree Celsius".
