

Online National Conference on Best Practices in Library and Information Centers (LIBCON 2022)

21 to 23, September, 2022

Organized by

**Knowledge Centre
Digital University Kerala**

Cash awards
for best
practices

21 to 23, September, 2022

The Conference provides library professionals a platform to showcase their best practices. We invite presentations and descriptive papers on the best practices that you have adopted in your libraries. **30 best practices will be selected and allowed for presentation at the conference.**

The descriptive papers on the practices will be published in a volume with ISBN.

The Conference will be held online.

Professionals can participate without papers and presentations to understand what the peer people are doing in their libraries. You may emulate the best practices later.

Registration for Best Practices Presentation Rs. 1000/-
Only for Participation without presentation Rs 200/-

Once the best practice is selected for presentation by a selection committee pay the above registration fee by **31st August 2022**. You may also submit the descriptive paper by **12th September 2022** for publication in the volume.
