## About Association of Indian Universities (AIU)

The Association of Indian universities (AIU) is a registered society under the Societies Registration Act, 1860 with membership of Indian Universities. It provides a forum for administrators and academicians of member universities to exchange views and discuss matters of common concern. It acts as a bureau of information exchange in higher education and brings out a number of useful publications, including the “Universities Handbook”, research papers and a weekly journal titled “University News”. The present membership of the Association is 527 including seven Associate Members viz. Kathmandu University, Kathmandu, Nepal, Mauritius University, Mauritius, University of Technology, Mauritius, Royal University of Bhutan, Thimpu, Open University of Malaysia, Kuala Lumpur, Malaysia, Middle East University, UAE, and Semey State Medical University, Semey, Kazakhstan.

The Association is substantially financed from the annual subscription of the member universities. The Government of India, Ministry of Education provides grants for meeting a part of the maintenance and development expenditure, including research studies, workshops, training programmes for university administrators and orientation programmes. AIU has Evaluation Division, Students Information Service Division, and Publication Sales Division, Sports Division to sponsor Inter-University Tournaments and World University Games:2007, Youth Affairs Division, Library and Documentation Division, Finance Division, Administration Division, Computer Division and Meeting Division. The AIU is also empowered to grant Associate Membership to universities of the neighbouring countries of India. AIU has been playing a vital role in shaping Indian Higher Education by being an integral part of all major decision making Committees and Commissions of higher education in the Country.

### **Vision**

To emerge as a dynamic service and advisory apex organization in India by undertaking such initiatives and program which could strengthen and popularize Indian higher education as the leading-edge system in the world and promote greater national and international collaboration in Higher Education, Research and extension, Sports, Youth and Cultural Activities.

### **Mission**

To promote and represent the higher education system and Indian Universities through strong liaison with the Government and National/International Organizations of higher education, sister associations world over and establish liaison between/among universities through active support, cooperation and coordination among the member universities and all its stakeholders for quality education, research and other academics.

## About AMET University

AMET is India's first Deemed to be University in Maritime Education which is ranked as 3rd among Maritime Universities of the World in the PIMET (Performance Indicators in Maritime Education and Training) Ranking of International Association of Maritime Universities (IAMU). Established during 1993, AMET's uncompromising strides of excellence in the field of maritime education and training laced with its capacity to feed the global shipping industry with an unrivalled maritime human resource secured it to have many national and international recognitions, rankings such as NIRF, ARIIA, DGS-CIP, PIMET and accredited by NAAC 'A' Grade.

### **Vision**

To sustain identity as a World Class Leader in Maritime Education and empower learners with wholesome knowledge through progressive innovation in training, research and development which will render students a unique learning experience and a transformation impact on the Global Society.

### **Mission**

AMET will strive continuously to

- Impart value-based higher education and technical knowledge with uncompromising strides of an outstanding quality.
- Emerge as a Centre of Excellence inculcating skill development in recent technologies in accordance with industrial trends.
- Create World class research capabilities on par with the finest in the world and broaden student's horizons beyond classroom education.
- Nurture talent and entrepreneurship to enable all round personality development among students.
- Empower students across socio economic strata.
- Make a positive difference to society through technical education.

## About Academic and Administrative Development Centre (AADC)

The Academic and Administrative Development Centre (AADC) will offer short term (one week) programmes aimed at continuous capacity building of the key stakeholders through online and in person modes. The thrust areas envisaged for the programmes include but are not limited to the following:

- Identifying the different components of online teaching and learning
- Designing e-content, open educational resources and adopting innovative instructional delivery models
- Mapping and matching pedagogies and technologies
- Exploring new knowledge domains
- Producing high quality and high impact research publications
- Identifying appropriate impact factor journals for submission of manuscripts for publication

## About the Programme

- Experienced resource persons from the Industry and Academia will be handling the sessions.
- The participants of FDP must be the faculty members of Institutions in India.
- Participants will be given opportunity to interact with the experts and the resource person will be sharing their experience through case studies.
- Each session will be of great learning, experiencing and sharing with the experts & co-participants.
- FDP certificate will be given in the joint manner by AMET and AIU which will be recognized by all the accreditation bodies of India.
