MANLIBNET
(Management Libraries Network)
Venue

MES's IMCC Seminar Hall
(Institute of Management and Career Courses)
131, Mayur Colony, Kothrud, Pune – 411038

About LDP:

ICT has impacted human life as well as the education sector. The world has become a virtual village. The impact is tremendously witnessed in libraries and information centres, especially in the nature of library services.

In the present scenario, library science professionals should move according to the pace and upgrade the skills required to provide information according to the user's demands. The remote access world demands the need for more skills. An enhancement in academic skills and soft skills is an essential part of personality development. The skills, required to fit in at the workplace, include your personality, emotional intelligence, attitude, flexibility, motivation, and manners.

The present LDP is focused on conducting the sessions to work on select skills such as Interviews, Presentations, and communication which are the cruxes of the placement of professionals at varied places such as Universities, colleges, etc

Objectives of the LDP:

- To guide the LIS professionals to become efficient communicators through activity-based sessions.
- To understand various issues faced by the professionals during the interview process through conducting panel Interviews.
- To enlighten the library professionals about presentation skills.
- To give an opportunity to interact with experts in the LIS field.

Who Should Attend?

- Qualified Librarians and LIS research Scholars registered for M.Phil. & Ph.D. in Library & Information Science
- Librarians & Information Managers in the Industry sector
- Budding LIS professionals-students pursuing an M.Lib.I.Sc., B.Lib.I.Sc. would be greatly benefitted from the LDP

Topics Covered:

About MES's Institute of Management & Career Courses (IMCC)

IMCC is a premier Management Institute, which is recognized by Savitribai Phule Pune University & approved by AICTE New Delhi to conduct MCA, MBA & DTL Programmes. IMCC is a recognized Ph.D. Research Center under the Faculty of Management, Savitribai Phule Pune University. IMCC has 34 years of standing & it is well-known for its conducive educational atmosphere.

About MES IMCC Library and Information Resource Centre

MES IMCC's library and information resource centre is one of the best libraries in the Pune regional Academic Institutions with regard to the services and ICT application. The Library of MES IMCC, Pune was established in the year 1983. The period from 1996 onwards can be considered the metamorphosis period for the IMCC Library. The library has focused on the *embedded librarianship model* and thus the purpose of a library has been to disseminate knowledge by providing customized library service packages, especially to the faculty members and research scholars. The library provides information services to a variety of user segments including faculty members, students, and also to MES's Management members. The library is enriched with printed and non-print collections focused on Management and Computer Science. The library provides easy access to e-documents such as University Question Papers, Syllabi, and Summer Projects through the *Digital Institutional Repository* created by using *d-space*, and also provides access to online databases such as *ASPP (IEEE)*,

ProQuest, and World eBook Database and also INFLIBNET's *N-List database*. The library is fully automated using *Koha open library software*. The library uses auto transaction mode for the Library Documents Transaction purpose through the effective use of the bar-coded collection and in-house-generated ID cards & Borrowers' Tickets. The library is also focused on using social networking aspects such as blogs (**Web ID: <http://mesimcclibrary.blogspot.in/>**) and WhatsApp mediums for communicating effectively with the users.

MES-Koha Project

MES IMCC's Library led and executed the KOHA Project in the MES educational Institutions across the Maharashtra state. The work includes knowledge organization as well as preparation of databases, and data migration is being done before the launching of common OPAC. The users now can effectively access the collection of entire MES institutions participating in the KOHA project.

MES IMCC's IGNOU SC 16142 & YCMOU SC

IMCC believes in education for all and also in providing education through distance learning mode. IMCC has a regular status of IGNOU (SC 16142) approved by IGNOU New Delhi in 2014. The entire library team is active in taking lead toward managing the entire Indira Gandhi National Open University (IGNOU) study centre. IMCC also has YCMOU SC on campus the center runs BCA, BLib.I.Sc, and M.Lib.I.Sc. on campus.

MES's LIS Autonomous Programs

The MES has launched a one-year prestigious *Postgraduate Diploma in Digital Library Management, Automation, and Networking (PGDLIMAN)* focused on the effective utilization of advanced technology in the LIS Field. Professional colleagues in the library science field are registering for this program. The institution also conducts a *SET NET Training programme for LIS professionals* twice a year to provide special guidance to the professionals. The programme has become very successful and popular as candidates are not only registering from *Pune but also from varied places in Maharashtra*. From the last 10 batches. A total of 40 candidates in the program have qualified through the SET/NET examinations so far.

About MANLIBNET

The primary objective of MANLIBNET is to provide a common forum for professionals; and to develop understanding and cooperation, particularly among

management and business libraries and librarians. Management Libraries Network (MANLIBNET) is a movement for sharing of resources and information among libraries by fostering a spirit of cooperation and weaving them together in a networking arrangement. MANLIBNET has initiated Librarian Development Programmes, i.e. LDPs for librarians the and information Professional community. MANLIBNET strongly believes that such LDPs would help LIS professionals to sharpen their technical and managerial skills.
